**Given the current legislation  
DM n.25 of 7 February 2012  
Technical provisions concerning treatment equipment  
of water intended for human consumption  
So.Gest Ambiente, as required by Art. 3 of the aforementioned decree  
declares that the ECAIATM ionizer home drinking water treatment system produced and / or  
marketed by SANUSLIFE® INTERNATIONAL  
whose parts in contact with water intended for human consumption comply with the DM n.174  
/ 2004  
have undergone a performance check under the conditions of use indicated by the  
manufacturer and ensure that the treated water complies with the requirements established  
by Legislative Decree no. 31 of 2 February 2001 and subsequent amendments**
